Third  
Grade

This product was designed to give students a consistent spiral review of the third grade Common Core Language Standards. I have my students complete one worksheet a week as a weekly homework assignment, but these can also be used as an in-class assessment. The assessments are organized into three parts and within each section the following concepts are assessed:

### Parts of Speech

- Nouns
- Verbs
- Pronouns
- Adjectives
- Adverbs

### Sentences

- Capitalization
- Punctuation
- Compound/complex sentences

### Spelling

- Suffixes
- Word families
